

Artisan Series (Open) Chart Rack

#265002, #265120, #265214, #265516, #265616 and #265620

The Artisan series chart racks are an evolution of our renowned paper chart systems designed to help meet your EMR needs. We have updated our existing rack design with an attractive complementary thermofoil top. The Artisan is available in either 16 or 20 capacity. It can be purchased with an open design, cabinet style or privacy models.
