

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

All computing Work Stations keep patient information concealed and computers secure.
Our cost-effective innovative designs are user friendly, durable and ergonomically efficient.

Adjustable Laptop Transport Stand #350305

Adjustable Laptop Transport Stand is constructed of a stainless steel tray secured to a heavy gauge plated steel column. The unit's easy grab aluminum handles, sturdy 5 leg base and 3 inch casters allows for easy transport. The stand can be used sitting or standing by operating a foot pedal on the base to adjust the vertical height of the work surface from 30 to 40 inches. A gas spring lift mechanism within the unit provides the smooth vertical lift. Stands measure 30 inches high by 21 1/2 inches wide and 14 1/2 inches deep. Its base has a diameter of 22 inches.

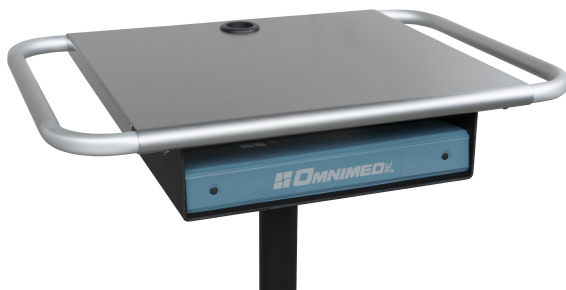

- Durable steel construction
- Easy grab handles
- Adjustable work surface height for sitting or standing
- Sturdy 5 leg base on 3 inch casters
- Measures 30 to 40"H by 21 1/2"W by 14 1/2"D
