Allows Maxtec SpO₂
Probes To Be Used

CONVERSION CABLES FOR THE WIN

The SpO₂ interface cables allow Maxtec disposable and reusable probes to be used with your most-common SpO₂ patient monitors. The 1.2M length provides additional reach that would be seen with other extension cables (*90721CIP available in 2.4M length*).

PART NUMBERS

SPO₂ INTERFACE CABLES:

Mindray 90797CIP

Critikon, Datex, Marquette... 90719CIP

Covidien, Medtronic, Mennen,
Welch Allyn.....90720CIP
